Possible Non Covered Procedures

Our practice takes pride in the care we provide for our patients. We understand that dealing with your infertility coverage might be intimidating at first glance. Listed below are some of the procedures that your **insurance company may not cover**. Please review this list, as it will be helpful in your financial planning. Payments for non-covered procedures are due at the time of service. We appreciate your prompt payment. Services will be billed to insurance, if processed a refund will be issued. Please note that some insurance companies require prior authorization before any treatments.

Transvaginal ultrasound during a fertility treatment cycle: (\$175)

Estradiol level (\$20)

3D Ultrasound: This ultrasound technology is felt to be the best diagnostic tool available to us for diagnosing diseases of the female pelvis while avoiding surgery. Unfortunately, this technology is not covered by some insurance companies (\$ 80).

Semen analysis/ Sperm Anti-body Testing/ Sperm Wash/ MESA/ TESE

RG Labs, LLC is not contracted with most insurance companies; therefore this is an out of network claim. We will submit to your insurance company for any OON reimbursement, but you will be expected to pay for the procedure at the time of service.

Intrauterine Insemination with sperm washing (\$300) – there will be a discount if 2IUI's are done in a cycle.

I, _____ understand that certain procedures may not be covered by my insurance. I agree to pay at the time of service OR pay upon receipt of an invoice if procedure is filed to insurance and is denied based on medical necessity, coverage, etc.

Insurance and Benefits

Reproductive Gynecology Inc. accepts almost all health insurance plans. Insurance coverage for infertility treatments is different for each individual or couple. The degree of coverage varies among providers and is dependent on each individual's specific insurance plan. Most insurance companies usually cover infertility consultation and evaluation or "diagnostic" services.

Reproductive Gynecology Inc. understands that the cost of infertility treatment can be overwhelming. We will make every attempt to verify your benefits prior to treatment. Our financial liaison, Jesse Neidert, is dedicated to financial counseling. She can be reached at 330-699-4662. For those patients without infertility coverage Reproductive Gynecology offers competitive self-pay prices.

We are committed to working with each individual patient or couple to research and understand the many options available for financing infertility treatment.

Please contact your insurance company to familiarize yourself with your plan. If possible, print out a copy of any fertility benefits or coverage you may have.
